# THE COURSE

Woodland Hills Golf Course is located just east of Lincoln in Eagle, Nebraska. This beautiful course received a FIVE star rating from Golf Digest Magazine and is Nebraska's #1 Rated 18-Hole Public Golf Course.

Not only do golfers enjoy the lushious fairways and manicured greens, but Woodland Hills golf carts are equipped with the GPS Yardage System. This system gives golfers a layout of each hole, exact yardage to the pin from anywhere on the hole, pro-tips on how to play each hole and much more.
