Wednesday, 10:15am – 11:30am Never Give Up – The Survivor Way

As we survive life's challenges, we come face to face with fear and uncertainty. Challenges may allow us to step out of our comfort zone and push ourselves above and beyond our own self-limitations. It is how we choose to overcome challenges that make us who we are. It is our strength in times of difficulty that proves our character and self-worth. Holly Hoffman, a finalist on Season 21 of CBS' hit reality show "Survivor" shares her experience of being on a reality show and encourages you to think about how you decide to survive on a daily basis. Hoffman shares about six words to develop your survival skills. With these six simple words, you can take on any challenge facing you. Adversity is not so much contending with problems as it is learning more about who you really are and what is inside of you. Join Holly and explore what your true survival skills are.

Presenter: Born and raised in Eureka, South Dakota, **Holly Hoffman** was the last remaining member of the Espada Tribe and the last woman standing on Season 21 of CBS' hit reality show "Survivor Nicaragua". Through that experience, and others throughout her life, Holly was inspired to share her message of positivity, determination and confidence with business leaders, teachers, and students across the nation. An accomplished motivational speaker and the author of Your Winner Within, Holly acknowledges that life is made up of challenges, and we are oftentimes faced with situations that seem insurmountable. But within each of us is an ability to focus our thoughts, emotions, and energy to succeed—if only we have the knowledge, tools, and discipline to do so. Holly's writing and speaking not only offer encouragement and optimism but a roadmap for self-discovery and spiritual enlightenment. Her methods—the ones she uses every day in her own life—are intuitive, honest, and adaptable to nearly any situation. Readers and audience members alike walk away inspired to light the fire of successful living within themselves.

Wednesday, 3:15pm – 4:30pm Take Off the Mask

It's been said that if you ask a man his occupation you will find out how he pays his bills, but if you ask a man his preoccupation then you will discover the passion of his life. **Dan Meers** has a rather unique occupation. For over 25 years he has paid his bills by working as "KC Wolf" the mascot of the Kansas City Chiefs. However, Dan's preoccupation, what he is truly passionate about is encouraging others to strive for the best in life and to enjoy it each and every step along the way. Dan believes that your life is like a Coin. You can spend it anyway you wish but you will only get to spend it one time, so spend it wisely. During this presentation Dan shares some of the valuable lessons he's learned during his long career as a professional mascot. Whether at home, work or in the community, Dan challenges his audience to live each day to the fullest by wisely investing their lives and not just spending them.

Presenter: Dan Meers goes to work each day like many other men, dressed in a suit. The only difference is that instead of wearing a tie with his suit, Dan wears a tail. You see, Dan is a professional mascot. Dan began his career in 1986 at the University of Missouri -Columbia. Dressed as the school mascot, Truman Tiger, it didn't take long for Dan to establish himself as one of the top college mascots in the nation. After finishing second in 1988, Dan was selected the nation's #1 college mascot at the 1989 National Collegiate Mascot Championships. As graduation approached, Dan began to receive offers to use his talents at the professional level. After graduating with honors, Dan decided to trade in his tiger stripes for bird feathers and began his professional career as Fredbird, the mascot for the St. Louis Cardinals baseball team. Although many thought Dan's "bird legs" were a perfect match for his costume in St. Louis, Dan stayed only a short time. He was offered a job in professional football and decided to exchange his bird suit to become a wolf. Today Dan is widely known as KC Wolf, the official mascot of the Kansas City Chiefs. He travels throughout the United States and the world entertaining thousands of people both in and out of costume. Dan is in high demand not only as a mascot but also as a humorous and motivational speaker to audiences of all ages. His enthusiasm, optimism and love for life are contagious and makes Dan an inspiration to all those he meets.
